

Visitor Procedures for COVID-19

Given the Coronavirus outbreak's continued spread and to protect the health of everyone at our European Headquarters in Kingswinford, only business-critical visitors will be permitted. We will now require additional screening of all business-critical visitors prior to entry into our offices and events.

Effective immediately, all visitors entering Allied facilities are required to complete the Allied Machine & Engineering **Visitor and Contractor Health Assessment** questionnaire. If any questions are answered "yes," access will be denied, and the visitor will be asked to reschedule their meeting or make other arrangements. The questionnaire can be requested from our H&S Officer Mr Gareth Bagley gbagley@alliedmachine.com or +44 (0) 1384 400900.

If you or someone close to you have traveled internationally, had close contact with someone diagnosed with COVID-19, or have cold or flu-like symptoms within the last 14 days, access will be denied.

Thank you for your patience with these health and safety measures as we continue to address this outbreak together.
